

New Hampshire Department of Health and Human Services Student Assistance Program

ADDENDUM 1

RFA-2018-BDAS-02-STUDE

On November 18, 2016, the New Hampshire Department of Health and Human Services published a request to solicit applications from Vendors to implement Student Assistance Programs to increase the state's existing prevention system and its resources and capacities to reduce substance abuse and misuse in communities with high need, high risk of underage drinking among persons aged 12 to 20, and prescription drug misuse and abuse and illicit opioid misuse and abuse among persons aged 12 to 25.

The Department is publishing this addendum to:

5. Application Process & Requirements

Delete all of Section 5.1.3.
